

July Club Night

Social secretary Ryan Howat opened July's Club Night by presenting a test pass certificate to Stephen Bagley and a Local Observer certificate to Mark Lunt.

Before the break Lee Lowry gave an entertaining demonstration of [Airvest's](#) excellent protection products.

After the break Gary Baldwin and his associate from [Rapid Training](#) told us what they have to offer in terms of advanced motorcycle training which led to a healthy question and answer session.

Thanks to Chris allen for the excellent photos.
