

CWAM Fantasy League 2017

On the far horizon I can see something glinting in the low winter sun. A hushed murmur floats across the fields on the cold air. As the soft hum grows, the starlike glint becomes a dark dot on the skyline. As it disappears behind the hill, the sound is but a whisper on the wind. Suddenly it crests the hill and little snowdrops tremble as the sound wave brutalises the calm. With an ear splitting crescendo and an unresolvable, retina-rattling blur of red, white and black, it passes. The mighty howl fades and only a wake of mirage-like of exhaust gases remains.

Yes, the bikes are out once again, newly polished and raring to go at the start of the Motorcycle News Fantasy League and our very own league CWAM 2017.

I have said it before, but it bears repeating. The fact that past winners have included Simon Daffern and Roger Barratt is proof that neither brains nor intellectual acuity is required. Even I can do it. CWAM's Fantasy League offers you a whole year of fun and excitement at absolutely no cost – it's FREE.

Last year the league was found wanting in only one aspect - despite their success in previous years, we were sadly lacking any lady team managers. We need more feminine charm to dilute the testosterone fuelled competitiveness of some of the managers in the pit lane .

Joining is stupendously easy.
